PROFILE

I am a passionate undergraduate studying Information Technology at Chinhoyi University of Technology. My coursework and projects have provided me with a solid foundation in various programming languages, including JavaScript, Python, and Java. I am also well-versed in database management, which has enhanced my ability to develop and manage robust software solutions. My enthusiasm for technology drives me to continuously learn and improve my skills.

CHINHOYI UNIVERSITY OF TECHNOLOGY

WORK EXPERIENCE

Retail Merchandiser

Zimbabwe Beverages Merchandising Company (ZBMC)

During the winters and summers between semesters from 2022, I gained valuable experience working in retail outlets where I learned how to effectively communicate with customers and collaborate with team members competitively. This hands-on experience taught me the importance of customer service and teamwork, skills that I am confident will be beneficial in my future career.
